Big Sky Bravery

About this Plate:

There are over 45,000 nonprofits in the United States that support our veterans. Big Sky Bravery focuses solely on active duty SOF - those who remain in the fight. This community makes up only 3% of the U.S. Armed Forces but has suffered over half of all combat casualties in recent years. These are the few who have shouldered our freedom, our safety, and the longest conflict in U.S. history. They do so under the radar and out of the spotlight. It is because of their selflessness and bravery that we are able to live in a safe and free America. Big Sky Bravery was founded in 2015 to provide weeklong programs (Task Forces) in Montana's restorative surroundings. These Task Forces are an all-expense paid, world-class experience that grants these individuals the rare opportunity to decompress, rediscover what was lost on the battlefield, and experience the hope and freedom they are all fighting for.

Montana Wild Sheep Foundation

About this Plate:

Funds raised by the sale of the Montana Wild Sheep Foundation plates go to enhance and promote the state's wild Bighorn sheep herd populations and to safeguard against the decline and extinction of the species. Additionally, the chapter is committed to assisting in funding various projects for professional management of Bighorn sheep populations throughout the state of Montana as well as wild sheep populations in all of North America. Essential projects involving conservation, habitat, management improvement and sheep population and propagation are actively funded by the Montana Wild Sheep Foundation.
