

Notice to Prospective Bidders

RE: MT PARK NF486(1), Mill Creek Road Surface Preservation Project
Solicitation Number: **DTFH7017R00002**

The project is currently out for solicitation to Western Region Pavement Preservation Multiple Award Task Order Contracting (MATOC) contractors through the **FedBizOpps.Gov** website as of November 30th, 2017.

If your firm is not a listed MATOC contractor, you cannot submit a bid as a prime contractor. We encourage non-MATOC firms to consider the many subcontracting opportunities. Please refer to <https://www.fbo.gov/spg/DOF/FHWA/WFL/DTFH7017R00002/listing.html> for additional information.

The solicitation period ends January 9th, 2018 at 3:00 PM Mountain Time. The total project length is 12 miles and the estimated price range is \$1 million to \$2 million. Work is tentatively scheduled for a fixed completion date in the summer of 2018.
