The board or its authorized agent and the landowner or the landowner's representative shall inspect the land at an agreeable time, within 10 days of notification of the landowner. If within 10 days after notification the board is unable to gain cooperation of the person, the board or its authorized agent may enter and inspect the land to determine if the complaint is valid.

(2) If noxious weeds are found, the board or coordinator shall notify the person or the person's representative and seek voluntary compliance with the district noxious weed management program. In that case, the board shall submit a bill to the person, itemizing hours of labor, material, and equipment time, together with a penalty not exceeding 25% of the total cost incurred except that a penalty may not be assessed if contact was not made with the landowner or the landowner's representative pursuant to 7-22-2123. When the penalty is collected, it must be credited to the noxious weed fund created pursuant to 7-22-2141 to be used for appropriate control measures pursuant to this section. Labor and equipment must be valued at the current rate paid for commercial management operations in the district. The bill must specify and order a payment due date of 30 days from the date the bill is sent. The board may enter into an agreement with a commercial applicator, as defined in 80-8-102, to destroy the weeds. The commercial applicator shall agree to carry any insurance required by the board.

**7-22-2126. Embargo.** (1) The board may establish embargo programs to reduce the spread of noxious weeds within the district or the introduction of noxious weeds into the district.

(2) The board shall establish a special embargo program for the movement of forage, as defined in 80-7-903, into or out of the county. The board may implement an embargo upon confirmation of a violation, based upon complaint investigations, requests for investigation by the department, or through county investigations, if the forage has not been certified by the state and is being sold as noxious weed seed free, as defined in 80-7-903.

(3) A person in possession of the forage that is not in compliance with Title 80, chapter 7, part 9, may not move or dispose of the forage as noxious weed seed free that is subject to embargo until written permission is obtained from the board. If the forage that is subject to embargo is found to have met all of the requirements of the state certification program and the department verifies compliance with the program, the board shall release the embargo. The board may also release the forage under the following conditions:

(a) verification of guaranteed delivery back to the original producer, as defined in 80-7-903;

(b) burning or disposal of the forage in a manner acceptable to the board; or

(c) other alternatives approved by the board.

(4) The board shall report all embargoes issued and the final resolution of an embargo imposed pursuant to a violation of Title 80, chapter 7, part 9, to the department within 48 hours.

(5) The person in possession of forage subject to embargo shall comply with the conditions approved by the board within 30 days. If resolution is not accomplished, the board may condemn the forage and implement through its employees any of the conditions set forth in this section. If the board proceeds with correction of these conditions after 30 days, all actual expenses incurred and documented by the board are payable by the producer unless the person in possession of the forage also has an interest in the forage.

The board shall develop rules and procedures for the administration of the cost-share program. These procedures may include the cost-share rate or amount and for what purposes cost-share funds may be used.

(2) (a) Any person may voluntarily enter into a cost-share agreement for the management of noxious weeds on the person's property. The coordinator shall draft a cost-share agreement in cooperation with the person. The agreement must, in the board's judgment, provide for effective weed management.

(b) The agreement must specify:

(i) costs that must be paid from the noxious weed fund;

(iii) a location-specific weed management plan that must be followed by the person; and

(iv) reporting requirements of the person to the board.

(c) The cost-share agreement must be signed by the person and, upon approval of the board, by the presiding officer.

(3) The agreement must contain a statement disclaiming any liability of the board

for any injuries or losses suffered by the person in managing noxious weeds under a cost-share agreement. If the board later finds that the person has failed to abide by the terms of the agreement, all cost-share payments and agreements must be canceled and the provisions of 7-22-2124 apply to that person.

(4) (a) When under the terms of any voluntary agreement, whether entered into pursuant to 7-22-2123 or otherwise, or under any cost-share agreement entered pursuant to this section a person incurs any obligation for materials or services provided by the board, the board shall submit a bill to the person, itemizing hours of labor, material, and equipment time. The bill must specify and order a payment due date not less than 30 days from the date the bill is sent.

(b) A copy of the bill must be submitted by the board to the county clerk and recorder. If the sum to be repaid by the person billed is not repaid on or before the date due, the county clerk and recorder shall certify the amount not repaid, with the description of the land to be charged, and shall enter the sum on the assessment list as a special tax on the land, to be collected in the manner provided in 7-22-2148.

**History:** En. Sec. 16, Ch. 195, L. 1939; amd. Sec. 6, Ch. 90, L. 1941; amd. Sec. 8, Ch. 228, L. 1947; R.C.M. 1947, 16-1720(part); amd. Sec. 22, Ch. 607, L. 1985; amd. Sec. 14, Ch. 407, L. 2001.

**7-22-2148. Tax liability for payment of weed control expenses.** (1) The expenses referred to in 7-22-2124 shall be paid by the county out of the noxious weed fund, and unless the sum to be repaid by the person billed under 7-22-2124 is repaid on or before the date due, the county clerk shall certify the amount thereof, with the description of the land to be charged, and shall enter the same on the assessment list of the county as a special tax on the land. If the land for any reason is exempt from general taxation, the amount of such charge may be recovered by direct claim against the lessee and collected in the same manner as personal taxes. When such charges are collected, they shall be credited to the noxious weed fund.

(2) In determining what lands are included as land covered by the special tax and are described in the certificate of the county clerk, it is presumed that all work done upon any of the land of any one landowner is for the benefit of all of the land within the district belonging to the owner, together with the parcel upon which the work was done, and the amount certified becomes a tax upon the whole thereof.

**7-22-2150. Cooperation with state and federal-aid programs.** The board may cooperate with any state or federal-aid program that becomes available if the district complies with 7-22-2120. Under a plan of cooperation, the direction of the program must be under the direct supervision of the board of the district in which the program operates.

**History:** En. Sec. 17, Ch. 195, L. 1939; amd. Sec. 9, Ch. 228, L. 1947; R.C.M. 1947, 16-1721; amd. Sec. 24, Ch. 607, L. 1985; amd. Sec. 15, Ch. 407, L. 2001.

(b) a noxious weed management goals statement;

(c) a specific plan of operations for the biennium, including a budget to implement the plan; and

(d) a provision requiring a biennial performance report by the board to the state weed coordinator in the department of agriculture, on a form to be provided by the state weed coordinator, regarding the success of the plan.

(2) The board and the governing body of each incorporated municipality within the district shall enter into a written agreement and shall cooperatively plan for the management of noxious weeds within the boundaries of the municipality. The board may implement management procedures described in the plan within the boundaries of the municipality for noxious weeds only. Control of nuisance weeds within the municipality remains the responsibility of the governing body of the municipality, as specified in 7-22-4101.

(3) A board may develop and carry out its noxious weed management program in cooperation with boards of other districts, with state and federal governments and their agencies, or with any person within the district. The board may enter into cooperative agreements with any of these parties.

(4) Each agency or entity listed in subsection (1) shall submit a statement or summary of all noxious weed actions that are subject to the agreement required under subsection (1) to the state weed coordinator and shall post a copy of the statement or summary on a state electronic access system.

**History:** En. Sec. 10, Ch. 607, L. 1985; amd. Sec. 1, Ch. 262, L. 1991; amd. Sec. 3, Ch. 512, L. 1991; amd. Sec. 31, Ch. 418, L. 1995; amd. Sec. 1, Ch. 519, L. 1995; amd. Sec. 30, Ch. 546, L. 1995; amd. Sec. 16, Ch. 407, L. 2001; amd. Sec. 4, Ch. 313, L. 2007.

**7-22-2152. Revegetation of rights-of-way and areas that have potential for noxious weed infestation.** (1) Any person or state agency proposing a mine, a major facility under Title 75, chapter 20, an electric, communication, gas, or liquid transmission

line, a solid waste facility, a highway or road, a subdivision, a commercial, industrial, or government development, or any other development that needs state or local approval and that results in the potential for noxious weed infestation within a district shall notify the board at least 15 days prior to the activity.

(2) Whenever any person or agency constructs a road, an irrigation or drainage ditch, a pipeline, an electric, communication, gas, or liquid transmission line, or any other development on an easement or right-of-way, the board shall require that the areas be seeded, planted, or otherwise managed to reestablish a cover of beneficial plants.

(3) (a) The person or agency committing the action shall submit to the board a written plan specifying the methods to be used to accomplish revegetation at least 15 days prior to the activity. The plan must describe the time and method of seeding, fertilization practices, recommended plant species, use of weed-free seed, and the weed management procedures to be used.

(b) The plan is subject to approval by the board, which may require revisions to bring the revegetation plan into compliance with the district weed management plan. The activity for which notice is given may not occur until the plan is approved by the board and signed by the presiding officer of the board and by the person or a representative of the agency responsible for the action. The signed plan constitutes a binding agreement between the board and the person or agency. The plan must be approved, with revisions if necessary, within 10 days of receipt by the board.

**7-22-2153. Voluntary agreements for control of noxious weeds along roads -- liability of landowner who objects to weed district control measures -- penalties.** (1) Any person may voluntarily seek to enter into an agreement for the management of noxious weeds along a state or county highway or road bordering or running through the person's land. The coordinator may draft a voluntary agreement upon the request of and in cooperation with the person. However, the agreement must, in the board's judgment, provide for effective weed management. The weed management agreement must be signed by the person and, upon approval of the board, by the presiding officer. An agreement involving a state highway right-of-way must also be signed by a representative of the department of transportation.

(2) The agreement must contain a statement disclaiming any liability of the board and, if applicable, the department of transportation for any injuries or losses suffered by the person in managing noxious weeds on the state or county highway right-of-way. The signed agreement transfers responsibility for managing noxious weeds on the specified section of right-of-way from the board to the person signing the agreement. If the board later finds that the person has failed to adhere to the agreement, the board shall issue an order informing the person that the agreement will be void and that responsibility for the management of noxious weeds on the right-of-way will revert to the board unless the person complies with the provisions of the agreement within a specified time period.

(3) (a) If a person objects to weed control measures bordering a state or county highway right-of-way and does not enter a voluntary agreement pursuant to subsections (1) and (2) and if the board finds that the person has failed to provide alternative weed

control, the board shall issue an order informing the person that the management of noxious weeds on the right-of-way will be undertaken by the board unless the person provides alternative weed control within 30 days.

(b) A person who does not provide alternative weed control within the time specified in subsection (3)(a) is guilty of a misdemeanor and, upon conviction, shall be sentenced pursuant to 46-18-212 and assessed the costs of weed control provided by the board. A second or subsequent conviction is punishable by a fine of not less than \$500 or more than \$2,000, plus the costs of weed control provided by the board.

**History:** En. Sec. 12, Ch. 607, L. 1985; amd. Sec. 3, Ch. 512, L. 1991; amd. Sec. 1, Ch. 433, L. 1999; amd. Sec. 18, Ch. 407, L. 2001.

**7-22-2154. Public purchase or receipt of property -- weed management plan.** (1) Except as provided in subsection (4), prior to the purchase of real property with public funds or the receipt of real property by a nonfederal public entity, the purchaser or grantee shall have the property inspected by the county weed management district. The county weed management district's report regarding the property must be filed with the purchaser or grantee. The costs associated with the inspection must be borne by the seller or grantor.

(2) If the report indicates that there are noxious weeds present on the property, the purchaser, seller, grantee, or grantor shall develop a noxious weed management agreement to ensure compliance with the district noxious weed management program. However, unless the parties agree otherwise, a seller or grantor is obligated by a noxious weed agreement only until the property sale or transfer is completed. Except as provided in subsection (4), the weed management agreement must be incorporated into the purchase agreement.

(3) The provisions of this section do not apply to:

(a) the state acquisition or disposition of a public right-of-way pursuant to Title 60, chapter 4; or

(b) lands sold or purchased through land banking pursuant to 77-2-361 through 77-2-367.

(4) If a transfer of property will occur during the winter months when the ability to identify noxious weeds is significantly reduced by snow cover, the purchaser, seller, grantee, or grantor may request a 6-month extension for completion of the inspection and any noxious weed management agreement that may be required. If, upon inspection, it is determined that a noxious weed management agreement is necessary, unless otherwise agreed by the parties, the purchaser or grantee is responsible for implementing the provisions of that agreement.
