All candidates, regardless of political party, appear on one ballot. The four candidates receiving the most votes advance to the general election. A candidate may list a political party preference, but a candidate isn't required to be nominated by a political party. A candidate's political party preference isn't an endorsement by the political party. The legislature may require candidates gather signatures up to five percent of the votes received by the winning candidate in the last election to appear on the ballot. All voters may vote for one candidate for each covered office. CI-126 applies to elections for governor and lieutenant governor, secretary of state, auditor, attorney general, superintendent of public instruction, state representative, state senator, United States representative, and United States Senator.</p>	<p>REFERENDUM NO. R-003 TO IMPOSE AN INCREASE TO THE MILL LEVY FOR THE LIVINGSTON-PARK COUNTY PUBLIC LIBRARY (VOTE IN ONE OVAL)</p> <p>The purpose of this referendum is to increase the library mill levy. Currently there are 5.5 mills imposed for the library. The approximate amount of tax raised from the 5.5 mills is Five Hundred and Four Thousand One Hundred and Sixty Dollars (\$504,160). This proposes an increase from 5.5 mills to 16.25 mills on all taxable property within Park County. The purpose for which the additional monies will be used to maintain the public library system and expand hours and locations throughout Park County. The increase to the mill levy is permanent. The approximate additional amount of tax to be raised is Nine Hundred and Eighty-Five Thousand Four Hundred Dollars (\$985,400). The increased yearly impact of the election on a home valued for property tax purposes at One Hundred Thousand Dollars (\$100,000) in terms of actual dollars in additional property taxes that would be imposed is Fourteen Dollars and Fifty-One Cents (\$14.51) and for a home valued for property taxes at Three Hundred Thousand Dollars (\$300,000) is Forty-Three Dollars and Fifty-Four Cents (\$43.54) and for a home valued for property tax purposes at Six Hundred Thousand Dollars (\$600,000) is Eighty-Seven Dollars and Eight Cents (\$87.08) for residences with those values if the increase was to pass. An increase in property taxes may lead to an increase in rental costs.</p>

It would prohibit the government from denying or burdening the right to abortion before fetal viability. It would also prohibit the government from denying or burdening access to an abortion when a treating healthcare professional determines it is medically indicated to protect the pregnant patient's life or health. CI-128 prevents the government from penalizing patients, healthcare providers, or anyone who assists someone in exercising their right to make and carry out voluntary decisions about their pregnancy.</p>
